WELCOME

Message

Dear applicants,

Welcome to **the 2nd Lawang Sewu International Symposium (LEWIS) 2023**

This event is annually hosted by **The University of Muhammadiyah Semarang (UNIMUS)**, Indonesia.

Nursing Lecturers, professionals, researchers, and students are welcome to participate in this activity. Besides Nursing Sciences, this activity also provides a series of international symposiums for other specific related health sciences, engineering, applied sciences, and humanities and social sciences

About Event

The 2nd Lawang Sewu International Symposium 2023 on Health Sciences - Nursing is an annual international symposium conducted by The University of Muhammadiyah Semarang, Indonesia.

This symposium will be conducted both virtual and onsite on **05 December 2023** in Semarang, Central Java Indonesia.

All participants **will receive a 3-credit certificate issued by the Indonesian National Nursing Association (PPNI)**.

The participants could be **nursing lecturers, professionals, researchers, and students** who have any studies focused on Health Sciences.

Submitted papers should meet the following criteria such as **original study, hasn't previously been published, and written in the English language**.

Parallel Session Rules & Guidelines

HOUSEKEEPING RULES

- The participant *is required to enter and join the breakout room according to the grouping list* during the parallel presentation
- All participants are *advised to turn on the web camera* during the parallel presentation.
- Each participant's *microphone needs to be switched off* when it is not acknowledged to talk.

QUESTION AND ANSWER GUIDELINES

- The participants are allowed to raise questions through the chat box during the presentation and then will be read by the moderator afterward (*please write the participant's name, affiliation, and targetted presenter, and do not use the chat box to post personal chat*)
- The participants are also allowed to unmute the microphone to raise the question after permission is admitted by the moderator
- The moderator will choose 1 to 2 questions after each presentation ended and read it to the presenter.
- If the time is up, but some questions remain unanswered, the presenter can write down the answers in the chat box or response them by email.
